Fall elections:

Cliff Hebert reported that board member Jimmy Weems and president Roddy Poole sent in letters declining to run for there board seats. Vice president Morris Helmer sent in a letter requesting to run for his board seat. Chris Tauzin and Parson Belgard sent in no notifications declining or accepting the opportunity to seek there board positions again. LMGA member Thomas Willmore sent in a letter requesting to run for a board seat. Cliff Hebert stated that according to the bylaws, as of January 1, Roddy Poole, Jimmy Weems, Chris Tauzin , and Parson Belgards terms as board members of the LMGA would expire. Because no other LMGA member sent in a letter requesting to seek a board position, an election would not be held. Thomas Willmore and Morris Helmer would fill board seats for their 2013-2014 term. It would be the boards responsibility to appoint three new board members in the January board meeting. Discussion was made on people that may be interested and no further action was taken.

Discussion was made about newsletters for 2013 as well as printing out a small handout with the bylaws for all members.

Pygmy goat tags were also discussed in length.

The possibility of moving some of the show dates around was discussed to better.

Donna Heinrich offered to hold the January meeting at her home. January 5 was decided on as the date.

A motion to adjourn was made by Donna Heinrich. Morris Helmer seconded the motion. All were in favor.
